Home Comfort Connection

Spring 2015 ~ Quarterly Newsletter

Tips

Spring can be a real challenge for older Home Comfort equipment. From water issues to fluctuating outdoor temperatures, maintaining your equipment for peak efficiency will help your household energy consumption and budget.

Contact Enersure to learn about the benefits of renting: the right water heater for your needs, a water softener that will help water taste better and skin & hair feel silky smooth; and upgrading an older furnace and/or central air conditioning system might also entitle you to a rebate cheque!

Our Social Scene

We "Like" The Brant County SPCA & Brantford Food Bank

From our recent donations to the Brant County SPCA & Brantford Food Bank totaling \$2000, we have been encouraging others to support these worthy Organizations. We will continue to do so in the future with more contests and social media initiatives on our Facebook page. We think comfort begins at home, and therefore, we strongly believe in supporting those that provide comfort in our community.

Mascot Contest

Our recently held Mascot Contest gave our Facebook friends' pets a chance at being featured as our new Mascot for an entire year! It was so much fun receiving all of the unique and endearing photos, from proud pet lovers far and wide (both on & offline). A winner, along with a first runner-up was chosen. Watch our Spring advertising campaigns that will creatively feature Lars (the handsome goat) & Billie (the sweet little pug)!
